Note: Age is based on player's age as of February 1 of each season

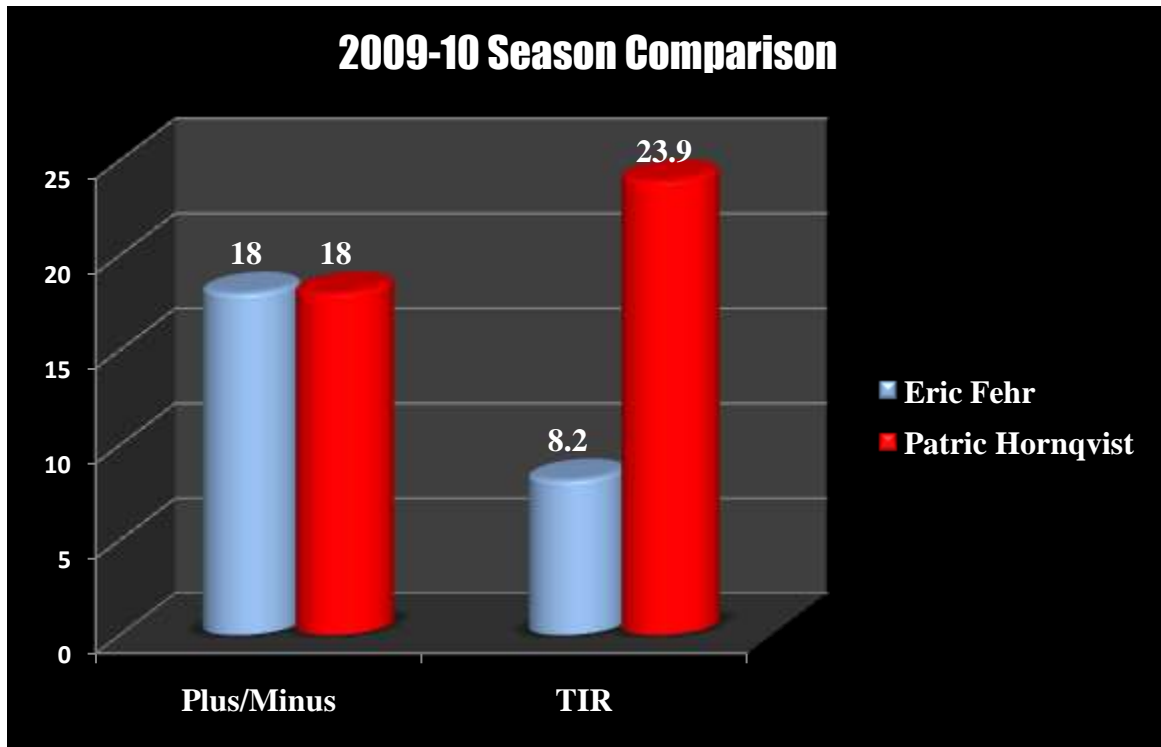

- **Hornqvist is one of just 10 NHL players to score 30 goals in his age-23 season in this time frame**
- **He saw less ice time than 6 of the other 9 players**
- **This shows Hornqvist's tremendous potential**

# Patric Hornqvist: Impact on Team's Power Play

- Nashville's power play was far more successful with Hornqvist on the ice
- The team scored 23 goals in his 227 minutes on the power play
- Hornqvist had 10 of these goals himself

# Patric Hornqvist: Impact on Team Comparison to Eric Fehr

- Although Hornqvist and Fehr had the same impressive plus/minus figures, Hornqvist dominated the more comprehensive Total Impact Rating category
- As explained in our June NHL newsletter, Total Impact Rating covers a player's impact on team performance in even strength, power play, and penalty kill situations
